Surf Action would like to thank 'Forces Reunited' for their kind donation of £4600 to cover the cost of putting 10 armed forces veterans who are in need of improved physical and psychological wellbeing, through our, 8 week, 'Ocean Therapy' course. The support of organisations such as 'Forces Reunited' is invaluable to us in being able to best support veterans who have been, adversely affected by their service.

In their statement, 'Forces Reunited' said:

**'Forces Reunited is delighted to be supporting Surf Action with this donation. CEO Dominic Hayhoe, an ex-serviceman himself, says *"I understand the need for the help that this charity provides to those suffering from trauma or injury, and when trying to return to civilian life. I started Forces Reunited just over 16 years ago, to help forces pals find each other, it's been an exciting journey for us, and we've supported many very worthy charities along the way. We're extremely proud to be able to make this donation to Surf Action, and look forward to following the progress of the 10 veterans as they undertake their Ocean Therapy Course."***
